The Butler/Warren Society for Human Resource Management Presents: "NETWORKING: WHY IT'S NOT SCARY TO MEET PEOPLE !!"

How many people do you "really" know? Have you ever thought about it? When you step back and look at your network, what does it look like? Do you have "go to" people in a variety of arenas of expertise or just a few close business associates?

As business professionals we always talk about the value of "networking," but few people take full advantage of how powerful this skill can truly be!!

This session will focus on ways to effectively network so you can truly make an impact on your firm and on the professionals around you. Who says there's only one way to bring in business? The skill of networking is an essential piece of being a strategic player in today's fast paced business environment.

This program with Steve Browne promises to be lively, energetic and useful!! Steve loves to network with everyone he comes across and he will do his best to get you connected as a professional. Please join us on Tuesday, March 26th at Schneider Electric in Oxford.

Steve Browne, SPHR is the Executive Director of Human Resources for LaRosa's, Inc. and our Ohio SHRM State Council Director. Steve has been an HR professional for 20+ years and has worked in the Manufacturing, Consumer Products, and Professional Services industries in various Human Resources roles. He facilitates a monthly HR Roundtable in Cincinnati and runs an internet message board for HR professionals that reaches 5,700+ people internationally on a weekly basis.

This meeting is a joint meeting with the **Miami University Student SHRM Chapter**.
Please join us to make this a memorable event for all of us!

Cost is \$13.00 for members and \$15.00 for non-members.
