

**Major General
Deborah A. Ashenhurst
The Adjutant General**

Dear Community Leader:

The Ohio National Guard would like you on our team! Please consider becoming an active "Ohio National Guard Ambassador" by helping me communicate the role your National Guard plays in protecting our national interests and serving the citizens of the State of Ohio.

To build and maintain ready units, the Ohio National Guard needs the ongoing support of our soldiers/airmen, families, employers and other key communities. Since September 11, 2001, the Ohio National Guard has transformed from a strategic reserve to an operational force fully engaged in the national defense and the protection of our homeland. Today, both our national defense and homeland security missions require strong sustainable partnerships with key communities.

Effective teamwork with our key communities is critical to maintaining long term readiness and building a strong operational force effective in today's global environment. This brochure gives a general overview of some of the ways you can actively support your National Guard. Please take some time to review the information provided and get involved. We welcome and appreciate every contribution - no action is too small. For additional information, please contact the Ohio National Guard Office of Community Outreach 614-336-7002.

When called, we respond with ready units!

Sincerely,

Deborah A. Ashenhurst
Major General
The Adjutant General
